

**Lumber Heritage Interpretive Plan
FERMATA's Proposed Approach and Timeline for Interpretive Planning**

| Task | August | September | October | November | December | January | February | March | April | May | June |
|---|---------------|------------------|----------------|-----------------|-----------------|----------------|-----------------|--------------|--------------|------------|-------------|
| 1. Identify strategic objectives for area of interest. | | | | | | | | | | | |
| 2. Perform an interpretive resource inventory and assessment. | | | | | | | | | | | |
| 3. Formulate interpretive objectives | | | | | | | | | | | |
| 4. Define interpretive framework including themes, sub-themes, and story lines. | | | | | | | | | | | |
| 5. Define visitor profiles. | | | | | | | | | | | |
| 6. Define the visitor experiences. | | | | | | | | | | | |
| 7. Select sites to deploy the interpretive strategy. | | | | | | | | | | | |
| 8. Define interpretive programming. | | | | | | | | | | | |
| 9. Define operational elements of plan. | | | | | | | | | | | |
